We request that our child \_\_\_\_\_ be allowed to go on the field trip to \_\_\_\_\_ at \_\_\_\_\_ and return at \_\_\_\_\_ on \_\_\_\_\_ because we believe this trip will benefit our child both educationally and spiritually.

We understand that all rules of conduct and standards of behavior, as deemed by the Organization will apply to this trip and we have discussed these with our child. In consideration for making the arrangements for this trip, we hereby release and save harmless the Organization and all its employees from any and all liability arising to my child as a result of this trip.

Our Child has been informed that he/she is to abide by the rules and regulations including the directions and instructions from the school's administrators, instructors, and supervisors as imposed on students while participating in the program or activities. This shall include his/her participation in the planning and information sessions and meeting all the prerequisites prior to his/her participation in the activity or program.

In the event that our child fails to abide by the rules and regulations imposed on the student while participating in the program or activities, disciplinary action may either require that he/she not participate in the program or activity, or that I will be contacted to have him/her picked up or transported home at my own expense.

Additionally we give permission to transport our child for emergency medical treatment. We wish to be advised prior to any further treatment by the hospital or doctor.**
