

**APPENDIX III**

**Our Saviour's School**  
**ATHLETIC HANDBOOK**  
**2020-2021**

## **PURPOSE**

The purpose of the Our Saviour Athletic Handbook is to provide athletes, parents, and coaches with all the information they will need concerning athletic programs, eligibility, training, rules, discipline, practice schedules, etc. It is not a contract, but is generally intended to describe the activities and present rules and procedures for participation and related involvement. The students are subject to the rules and regulations contained in the Our Saviour handbook, which is governed by the Diocesan Handbook, as well as the athletic handbook.

## **PHILOSOPHY**

The administration of Our Saviour School believes that interscholastic athletics are an integral part of the total school curriculum and should be well coordinated to enhance our school. Participation can be a part of the total educational experience, contributing to the individual's health, physical skills, emotional maturity, and moral values. A sound athletic program teaches the participants the values of sportsmanship, cooperation, competitiveness, and responsibility. Our Saviour School's athletic programs encourage maximum participation within the limits of the staff's ability to administer a program of fundamentals and competitiveness.

Inappropriate language and/or behavior from adults will not be tolerated at Our Saviour School athletic contests. Anyone displaying such behavior will be subject to dismissal by the Our Saviour School supervising authority.

Participation in Our Saviour School athletics is voluntary. This privilege, extended to all eligible students, involves certain requirements and responsibilities within the different sports that are available.

## **ATHLETIC GRIEVANCE/COMPLAINT POLICY**

In the area of Athletics, it seems that the biggest concerns revolve around questions or concerns not being taken directly to the coaches. This first contact is extremely important so that thoughts are shared initially with the person that can best answer questions and address a situation that needs to be dealt with

Problems involving athletic teams and parent/coach manners will be handled in the following ways:

1. When an athlete has a concern, he or she should ask the coach to discuss it with them as the first step in the grievance policy.
2. Parent goes to the coach involved, and asks for a meeting between the parents, coach(s), and student.
3. If the problem is not solved through this meeting with the coach(s), the parents may ask for a meeting with the Athletic Director.
4. If the problem is not solved after meeting with the Athletic Director, the parents may ask for a meeting with the Principal and Athletic Director.
5. If the problem is not solved after meeting with the Principal and the Athletic Director, the parents may ask for a meeting with the Pastor, Principal and Athletic Director.

To ensure fairness and accuracy to all involved, **NO STEPS CAN BE SKIPPED!** We hope there will be no problems involving your child's athletic career. However, if one arises, please follow the above steps.

**NOTE:** No discussion concerning any problematic situation(s) may occur immediately following athletic contests. Meetings can be scheduled the following day to remedy the issue(s) at hand.

## **ATHLETIC DEPARTMENT SPONSORED ACTIVITIES**

Sports/Activities **may** be offered for fifth, sixth, seventh and eighth grade Our Saviour School students. Sports include: Boys' Baseball, Girls' Softball, Boys' Basketball, Girls' Basketball, and Girls' Volleyball, Boys' and Girls' Cross Country, Boys' and Girls' Track and Cheerleading. Golf and Bowling are offered to students in grades 5 through 8.

The following roster minimum/maximum expectations will be utilized:

**Golf:** Golf will be open to 5<sup>th</sup> through 8<sup>th</sup> grade students. IESA allows up to 6 participants at Sectional, per school. Minimum would be 1-6 golfers without making a cut prior to Sectional competition. If more than 6 on the team, then scoring averages established at team practices would determine our school representatives at the Sectional event. (Boys and Girls limits are the same.)

**Baseball:** IESA allows 18 players on the post-season roster. Minimum would be 15 players (7<sup>th</sup> and 8<sup>th</sup> graders). If we do not have 15, then opportunity would be granted to all interested 6<sup>th</sup> graders, with the understanding that 18 players would then make up the roster for the regular season and post-season alike. All 7<sup>th</sup> and 8<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. Once the 18 player roster is set, all team members are equal. That is, grade level would not dictate playing time.

**Softball:** IESA allows 18 players on the post-season roster. Minimum would be 15 players (7<sup>th</sup> and 8<sup>th</sup> graders). If we do not have 15, then opportunity would be granted to all interested 6<sup>th</sup> graders, with the understanding that 18 players would then make up the roster for the regular season and post-season alike. All 7<sup>th</sup> and 8<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. Once the 18 player roster is set, all team members are equal. That is, grade level would not dictate playing time.

**Cross Country:** Cross Country will be open to 5<sup>th</sup> through 8<sup>th</sup> grade students. IESA allows up to 7 participants at Sectional, per school. Minimum would be 1-7 runners without making a cut prior to Sectional competition. If more than 7 on the team, then recorded times established at team practices and regular season meets would determine our school representatives at the Sectional event. (Boys and Girls limits are the same.)

**Boys Basketball: 7<sup>th</sup> grade:** IESA allows 15 players on the post-season roster. Minimum would be 10 players. If we do not have 10, then opportunity would be

granted to all interested 6<sup>th</sup> graders, with the understanding that 15 players would then make up the roster for the regular season and post-season alike. All 7<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. Once the 15 player roster is set, all team members are equal. That is, grade level would not dictate playing time.

**Boys Basketball: 8<sup>th</sup> Grade:** The same guidelines would apply to the 8<sup>th</sup> grade team, except, 7<sup>th</sup> graders would be promoted if needed. If the 7<sup>th</sup> and 8<sup>th</sup> grade total number does not total our 10 player minimum, then 6<sup>th</sup> graders would also be promoted and the IESA 15 player roster would be applied.

**Girls Basketball: 7<sup>th</sup> grade:** IESA allows 15 players on the post-season roster. Minimum would be 10 players. If we do not have 10, then opportunity would be granted to all interested 6<sup>th</sup> graders, with the understanding that 15 players would then make up the roster for the regular season and post-season alike. All 7<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. Once the 15 player roster is set, all team members are equal. That is, grade level would not dictate playing time.

**Girls Basketball: 8<sup>th</sup> Grade:** The same guidelines would apply to the 8<sup>th</sup> grade team, except, 7<sup>th</sup> graders would be promoted if needed. If the 7<sup>th</sup> and 8<sup>th</sup> grade total number does not total our 10 player minimum, then 6<sup>th</sup> graders would also be promoted and the IESA 15 player roster would be applied.

**Girls Volleyball: 7<sup>th</sup> grade:** IESA allows 15 players on the post-season roster. Minimum would be 10 players. If we do not have 10, then opportunity would be granted to all interested 6<sup>th</sup> graders, with the understanding that 15 players would then make up the roster for the regular season and post-season alike. All 7<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. Once the 15 player roster is set, all team members are equal. That is, grade level would not dictate playing time.

**Girls Volleyball: 8<sup>th</sup> Grade:** The same guidelines would apply to the 8<sup>th</sup> grade team, except, 7<sup>th</sup> graders would be promoted if needed. If the 7<sup>th</sup> and 8<sup>th</sup> grade total number does not total our 10 player minimum, then 6<sup>th</sup> graders would also be promoted and the IESA 15 player roster would be applied.

**Track and Field:** Track and Field will be open to 6<sup>th</sup> through 8<sup>th</sup> grade students. Regular season practices and meets will offer each athlete the opportunity to earn the right to compete at the IESA Sectional meet. The track coaches will determine which events our athletes will compete in at regular season meets, with every eligible athlete getting to participate in each regular season meet. Sectional competition will be based on results at meets and practices during the regular season, i.e., fastest times, farthest throws/puts, longest & highest jumps, etc.

**Bowling:** Bowling will be open to 5<sup>th</sup> through 8<sup>th</sup> grade students. IESA allows up to 6 participants (4 bowlers and 2 alternates) at Sectional, per school. In order to field a team, per IESA requirements, there must be a minimum of 4 bowlers on the roster. Minimum would be 1-6 bowlers without making a cut prior to Sectional competition.

If more than 6 on the team, then scoring averages established at team practices would determine our school representatives at the Sectional event. (Boys and Girls limits are the same.)

**Cheerleading:** IESA Small School competition allows up to 12 team members. Minimum would be 8 team members (7<sup>th</sup> and 8<sup>th</sup> graders). If we do not have 8, then opportunity would be granted to all interested 6<sup>th</sup> graders, with the understanding that 12 cheerleaders would make up the roster for sideline cheerleading for boys' basketball and for the State Cheerleading competition. All 7<sup>th</sup> and 8<sup>th</sup> graders would be on the roster. All 6<sup>th</sup> graders would practice for 2 weeks with the team, then the coaching staff would determine which 6<sup>th</sup> graders would fill out the remaining roster spots. All eligible cheerleaders will cheer at basketball games and will participate in the routine for the State Cheerleading competition.

Each sport/activity will be initiated with an informational meeting regarding introduction of coaches, distribution of practice schedules, and other general information pertaining to the season at hand. With the exceptions of baseball and softball, the dates and times of these meetings will be announced through the parent letters sent from the Principal's office and through announcements made in the appropriate grade classrooms. The baseball, cross country, golf, and softball meetings will be announced through School Messenger calls, and other potential means of communication.

## **AFFILIATIONS**

Our Saviour School is a member of the Morgan County Conference. We are also the members of the IESA and follow all their rules and regulations. IESA eligibility rules are available at [www.iesa.org](http://www.iesa.org).

## **TOURNAMENT HOST**

Our Saviour Grade School takes advantage of the opportunities given to us by the Morgan County Conference and the IESA to host tournaments to generate extra revenue for the athletic programs.

Parents and athletes are encouraged to assist with the tasks of hosting such a tournament. The athletic director makes and distributes a schedule of workers. Total support allows for the schools to successfully host a tournament and to be asked to host in future years as well.

## **PRACTICE/PLAYING FACILITIES**

The Our Saviour School gymnasium is considered the home for the Jr. High volleyball and basketball teams and the site for all Jr. High games and practices. However, when there are no conflicts with high school activities, some Jr. High games may be scheduled at Routt Catholic High School. The Our Saviour School baseball team plays at the Alumni Baseball Field on Vandalia Street. The Our Saviour School softball team plays at the Jacksonville YMCA. The bowling team practices at the Bowl Inn. The track and cross country teams do not host any home track meets, but may practice at non-school properties and facilities. The golf team practices at The Links golf course. All athletes are asked to respect and take care of these facilities so we

can continue to play at them. We thank the organizations that give us the opportunity to play on their fields.

Home games require Parent help with various game day necessities. Parent/player gate and concession duty schedules will be distributed at the beginning of each specific season.

## REQUIREMENTS FOR PARTICIPATION

Before a student may participate in athletics, he/she must:

1. Comply with all the rules and regulations set down in the Diocesan Handbook, as well as those contained in the Our Saviour School student and athletic handbooks.
2. Maintain academic and behavior eligibility.
3. Meet all requirements set by the Illinois Elementary School Association and Our Saviour School.
4. Have a valid physical examination by a doctor. Appropriate forms must be turned in to the athletic office to be kept on file. The physical is good for one year from the date on the physical. No copies will be issued from Our Saviour School. A student cannot practice until the physical is on file in office.
5. Have proof of accident insurance on file in the athletic office. Insurance is offered through Our Saviour School.
6. Submit a copy of his/her birth certificate to the office at Our Saviour School. (This should have been submitted prior to starting school at Our Saviour.)
7. Fill out, sign the information sheet at the back of this handbook, and return it to the athletic office.
8. Pay a sports fee of \$50.00 per sport played by the first day of practice. (Any other needed fees must be paid by the first game or the deadline date established by the Head Coach.)
9. Fill out, sign the Concussion Form, and return it to the athletic office. This is a requirement by the State of Illinois.
10. When traveling to away games, Athletes must dress appropriately. (See the student handbook for acceptable attire on non-uniform school days.)

## PARTICIPATION GUIDELINES FOR COACHES

Coaches will be given authority to determine starting line-ups, substitution patterns, amount of playing time for each student-athlete, any changes throughout the season, and determining A and B squads when necessary.

When 7<sup>th</sup> or 8<sup>th</sup> grade teams consist of too few numbers to ensure adequate substitution of players, students from the grade level below may be brought up to complete the roster. Playing time will be determined by coaches. All members of the team are to receive equal practice time. Players are to be treated fairly and coaches should make every effort to make the athletic experience a positive extension of the overall

education program at Our Saviour School.

## TRANSPORTATION - AWAY GAMES

Parents are responsible for providing transportation to and from all away contests. Meeting and departure times will be coordinated through the individual head coaches.

## COSTS

Each athlete will pay \$50.00 per sport. This will be due when practice begins and must be paid prior to the 1<sup>st</sup> practice. Normally the students will provide their own outfits for practice. School supply packs, which may include T-shirts, shorts, etc. may be offered. These are ordered and purchased through the school by the individual voluntarily. Athletic shoes are the responsibility of the athlete. The coach may order shoes for the participants who must pay for them before receiving them.

Any camps or clinics attended by athletes or cheerleaders are the financial responsibility of the participants as well as any state appearance (travel, lodging, food, etc.).

## UNIFORMS

The school provides uniforms for all athletic teams. These are purchased on a rotating basis. Uniforms will be assigned to individual athletes. Individuals are responsible for the possession, care and maintenance of the uniform assigned to him/her. If for any reason a player chooses to quit, the uniform must be returned so the coach can reassign it.

When possible, uniforms will be collected immediately after the last game of the season.

If not possible, students are requested to return the uniforms promptly.

If an athletic uniform is lost, stolen or damaged, replacement will be the responsibility of the player/parents involved. Reimbursement will be paid to Our Saviour School athletics.

## PRACTICES

Practices are normally held before or after school with the ending time determined by the coach. Practices may be scheduled at other times at the discretion of the coach or the availability of the gymnasiums. Coaches are expected to set a normal ending point for practice so that the players and parents can plan accordingly. If on a particular night, practice will end at different times than normal or scheduled for a different time, the players should be told that fact the day before. The gymnasiums are busy during the seasons and when applicable, monthly schedules will be given to the coaches, parents, and students for planning purposes.

**Students are not allowed to remain at Our Saviour School after school dismissal to await a practice unless they are signed up for the Sports Study Hour (\$2.00 per day), Our Saviour School After Care Program, or unless some other arrangement for supervision is provided. (Parent or teacher sponsored study hall). Any student not respecting this risks losing playing time. This is a safety**

**and liability issue. Sports Study Hall is only available to students with a 4:00 practice time.**

Decisions on canceling contests in the case of inclement weather, bad road conditions, etc. will be made by the administration and athletic director. If school is dismissed early due to bad weather, all athletic practices will be canceled. Normally contests will be canceled on days when no school is held because of bad weather. The administration and the athletic director will make the decision.

Practices/Open Gyms on Sunday or on school holidays such as Thanksgiving, Christmas, etc. will not be permitted unless approved by the Principal.

## **RESPONSIBILITIES**

An athlete's greatest responsibility is to be a credit to his/her parents, school and community. Therefore, an Our Saviour School athlete should be in good standing academically and behaviorally and:

1. Display outstanding sportsmanship.
2. Display a high standard of social behavior.
3. Display proper respect for those in authority. This includes Routt/Our Saviour School administrators, teachers, coaches, officials, and all other school's administration, teachers, and coaches.
4. Display a positive spirit of cooperation.
5. Maintain a neat and clean appearance when representing an athletic team.
6. Behave in a manner that is complementary to the athletic program and the school.
7. Use proper language. Profanity is not tolerated on or off the playing field.
8. Abide by all school rules and regulations, which govern the student body.
9. Be responsible for the care and return of all equipment and uniforms. Uniforms will be collected at the last game of the season or the last meeting of the team.
10. Be responsible for the care and maintenance of all facilities including the gymnasium, locker rooms, and field.

## **LOCKER ROOMS**

Each athlete is responsible for his/her personal items and the upkeep of the locker room. The locker room should remain free of clothes and debris. Repeated offenses to locker room rules will result in loss of locker room privileges.

At the conclusion of practice, all personal items are the responsibility of the athlete. The coach and/or AD will walk through the locker room daily to check its condition. Items left unsecured will be put in the lost and found.

Athletes are reminded that visiting teams use the locker room during high school and Jr. High school home games. PE students also use the locker room. If at any time items are removed from the locker room without the athlete's permission, the principal or AD should be notified.

## **INJURIES**

If an athlete injures himself/herself at practice or during an athletic contest, the athlete should immediately make the coach aware of his/her injury. The coach must notify the parents as soon as possible.

Physician mandated injury or illness should not penalize playing time.

If an athlete has an injury requiring a doctor's care he/she will not be allowed to participate until the student is released to participate by the doctor. This should be in written form and given to the coach or athletic director before participation.

If the student has a medical excuse from PE, he/she will not be allowed to participate in athletics until completely released by the doctor.

## **ACADEMIC ELIGIBILITY SYSTEM**

Regulations established by the IESA govern age, semester of attendance, dates of child enrollment, absences from school, non-school team participation, acceptance of awards, and attendance of sports clinics, postseason participation, and academic requirements.

Minimum standards for Our Saviour students will be the following:

1. Student must be passing in all subjects.
2. As in the IESA manual, there will be a weekly eligibility check determined by measuring the student's performance on a cumulative basis from the beginning of each quarter through the date on which the check is made in that same quarter.

## **BEHAVIORAL ELIGIBILITY**

Should a student's behavior become such that it negatively affects his/her, or other students' learning experiences or safety, or doesn't support the integrity of the school's philosophy, the teacher, principal and coach will enforce a behavioral ineligibility. The consequences will follow that of academic eligibility.

## **GAME EJECTIONS - PLAYERS, COACHES, AND FANS**

Our Saviour School will abide by the IESA policies regarding player, coach and spectator ejection from an event. In addition, Our Saviour School reserves the right to implement further penalties for ejections if necessary.

A player ejected from a contest will miss the next two contests at the grade level in which the ejection occurred, as well as any other contests the player is eligible to participate in at another grade level. In addition, the player must complete the National Federation of State High School Associations' Sportsmanship Course. A second ejection will require a 5 game suspension and a \$100 fine. (Player ejections may lead to removal from the team.)

For coaches who are ejected, they will serve an automatic two-game suspension for the first offense and a five-game suspension for the second offense. The coaches who are ejected, will serve the two-game suspension at the level at which the ejection occurred and all other contests in the interim and will be required to complete the

NFHS Sportsmanship course and pay a \$100 fine. A second offense will result in a five-game suspension and a \$250 fine. (Coach ejections may lead to removal of the coach from the coaching position for the remainder of the season and jeopardize future coaching opportunities at Our Saviour School.)

A fan who is ejected will be required to watch the NFHS Sportsmanship video before he/she can return to watch contests. Furthermore, Our Saviour School will be held responsible for any fan that is ejected by requiring that fan to watch the NFHS Sportsmanship video prior to returning to watch contests and provide proof to the IESA Office that the video was viewed. (Fan ejections may lead to a temporary, or, permanent barring of that fan from all home Our Saviour School events and activities.)

### **STUDENT TRANSFERS**

Effective with the start of the 2020 - 21 school year, a student who transfers after the first day of practice in a given activity will be allowed to join the team for his or her new school only if he/she did not try out, practice, or participate in a contest for the previous school. They would still need to sit 11 days before participating in a contest for the new school.

### **ELIGIBILITY AND PROBATION**

Student-athletes are expected to maintain academic standards and meet behavioral guidelines established by the Our Saviour School handbook. In addition to rules contained elsewhere in the Our Saviour School Athletic Handbook, the following rules shall apply to determine student eligibility based on academic, behavioral and other matters:

1. To be considered eligible and in good standing to participate in athletics a student must be receiving a passing grade in all subjects and behavior in each class or subject must be deemed satisfactory.
2. A student will be considered ON PROBATION for athletic purposes if their most recent academic report reflects any one or a combination of the following:
  - a. One failing grade in any class or subject.
  - b. One incomplete in any class or subject.
  - c. Below satisfactory conduct in any class or subject.
3. Probation for a student-athlete shall consist of the following:
  - a. A one week period during which the student works to improve his/her grades and/or conduct which led to the probation.
  - b. The student will be ineligible to participate in any games or contests during the period of probation but is still considered a full, participating member of the athletic team.
  - c. Ineligible students will be allowed to participate in practices.
  - d. During the period of probation, the student is encouraged to seek extra help from the teachers in courses where he/she is struggling either before or after school. The student's focus during the period of probation shall be on improving performance or conduct in the areas which led to the probation.

- e. A period of probation may be extended for a second or third occurrence (with the third occurrence being removed from the team) if a student fails to make improvement during the initial week of probation. The additional week shall be considered a separate period of probation. For example, if a student is on probation for two consecutive weeks before the student's grades become satisfactory, the probation shall be counted as two separate periods of probation.
  - f. A student may only be placed on probation two times during any season. If an athlete's grades or conduct are unsatisfactory for a third time during a season, the athlete's privilege to participate on the team will be revoked.
  - g. For eligibility and probationary purposes, a "season" begins on the first contest date.
  - h. A coach or the principal may place an athlete on probation for violation of other rules regarding an athlete's conduct contained in this handbook or the Our Saviour School Student Handbook.
4. A student placed on suspension from school will not be permitted to participate in any athletic practice or contest until the suspension is successfully completed. After completing the suspension, the athlete will be placed on probation. If an athlete is placed on suspension for a second time during a season, the student will be dismissed from the team and no awards will be given.
  5. Eligibility is reported each week to the principal. On Friday, the principal will notify the athletic department, students and parents (via a letter home through the student) of the student having failed to meet eligibility requirements or having been placed on probation. The period of probation will begin the following Sunday.

Ineligible student's attendance at games will be at the discretion of the coach.

### **SCHOOL SUSPENSIONS**

Students placed on suspension from school will not be permitted to participate in any athletic practice or contest until the suspension is successfully completed. After completing the suspension, the athlete may sit out his/her next contest, as stated in the behavior policy section of the team rules.

### **ATTENDANCE AT SCHOOL**

A student must be in attendance from 8:30 a.m. on, in order to participate in a school activity or practice. There may be some instances, a doctor's appointment, a funeral, etc., where an afternoon absence does not prohibit a student from participating in a school activity or practice. If they are absent on the day following a game or activity, they must report to the coach before they will be allowed to participate in the next scheduled game or activity.

### **EARLY DISMISSAL FOR CONTESTS**

At various times, athletes may need to be excused from school early to participate in an athletic contest. The athletic director and coach of the team are to notify the

principal and teachers in advance, with the time of dismissal and the names of the participants.

Athletes leaving early are expected to turn in their assignments and get the next day's assignment before they leave. If they are to take a test, they will take the test either earlier in the day or the next day. Prior arrangements should be made between the athlete and the teacher.

### **AWARDS**

Conference awards will be distributed at an assembly by the coach and/or Athletic Coordinator. Any other banquets or parties to celebrate a season may be held at the coach's discretion.

### **TEAM RULES**

Each coach/sponsor is responsible to carry out the minimum-standard team rules set forth by the Our Saviour School Athletic Department. The coach/sponsor must make sure each team member has a written copy of the team rules before or on the first day of practice. Parents and athletes must sign a form indicating that they have read and understood the rules before a student may practice. The principal and the athletic director before their issuance must approve additions to these rules by individual coaches.

Along with the minimum-standard team rules listed below, the sale, possession, purchase, consumption, or being under the influence of a controlled substance are prohibited at all times. A controlled substance includes, but is not limited to intoxicants, drugs, steroids, narcotics, tobacco substance, or alcohol. The penalties for violation of the substance abuse policy are specifically covered in the school handbook.

### **ACADEMIC VS. ATHLETIC**

Athletes involved in multiple athletic and academic areas juggle tough decisions on how to handle schedules. Academics and fine arts take priority over athletics when it comes time for contest or performance. If it is for a grade, it takes priority over athletics. Communication between student and coach is important in these situations in order to maintain good order. The Our Saviour Athletic Department will do everything it can to avoid these types of scheduling conflicts.

### **OUR SAVIOUR TEAM RULES**

#### **1. ELIGIBILITY**

A player declared academically ineligible three times during an individual sport season, not necessarily consecutively, will be dismissed from the team, and no awards will be given.

#### **2. BEHAVIOR POLICY**

An Our Saviour School Student's main commitment is to his/her academic experience and faith development. Because of the desire to help each student grow as a total human being, a student's behavior could impact his/her eligibility

#### **3. PHYSICAL & FEE**

Sports physicals and the sports participation fee must be paid PRIOR to the 1st practice. An athlete cannot practice until both requirements are met.

#### **4. EXCUSED ABSENCES**

Family emergencies, doctor's appointments, and illness are all considered excused. Other reasons must be checked with the coach at least 2 days in advance.

Student Athletes must be at school by 8:30 a.m. except for situations noted on this handbook and approved by the principal.
